Pacer Health Acquires Multi-Specialty Physician's Clinic and Imaging Center

Purchase to Add \$2.5 million in Revenue

MIAMI--(BUSINESS WIRE)—March 5, 2007--Pacer Health Corporation (OTCBB:[PHLH - News](#)), a Miami-based owner-operator of acute care hospitals, medical treatment centers and psychiatric care facilities, announced today that it has finalized an agreement to acquire Family Medical Associates, a multi-specialty physician's clinic and imaging center in Greensboro, Georgia.

Family Medical Associates offers family and internal medicine, cardiology, gastroenterology, gynecology, general surgery, orthopedics, ear, nose, and throat surgery, pain management, urology and facial plastic surgery. The facility also has an imaging center with the only open MRI in the Greensboro area.

The agreement will merge the two companies to expand the healthcare services offered to Greene County and surrounding residents. "It was important to Pacer to work with area physicians to grow Greene County healthcare as a community," said Rainier Gonzalez, Chairman and CEO of Pacer Health. "The acquisition of Family Medical Associates into the Pacer Health portfolio will allow the company to continue to grow and expand its healthcare and hospital services in the Greensboro area."

Family Medical Associates will add approximately \$2.5 million in net revenue to Pacer's top line. Details about the purchase have not been disclosed.
